

TENNESSEE SEX OFFENDER TREATMENT BOARD

POLICY NO. 10

CONFLICTS OF INTEREST POLICY

Board Members

The Sex Offender Treatment Board recognizes the need to ensure that actual and perceived conflicts of interest are disclosed and addressed such that those conflicts do not affect the decision-making and operations of the Board.

Board members shall disclose any and all actual and perceived conflicts of interest if such matters could call into question the impartiality and decision-making of the board member.

Providers Accepting Payment from the Sex Offender Treatment Fund

If a Provider has had a professional clinical relationship with an offender while continuing to work for the Department of Correction, or on behalf of the Department of Correction, the Provider shall refrain from having a professional relationship with the same offender through the Provider's professional and private outside practice while the Provider is working for the Department of Correction, or on behalf of the Department of Correction.

****Adopted by the Sex Offender Treatment Board on the 20th day of September, 2017***
